

Fred Wolens is Chief Legal Officer for Recorded Future. Fred oversees Recorded Future's legal department, compliance programs, and manages the internal policies that guide the company's intelligence efforts.

Before joining Recorded Future, Fred was a member of Facebook's Public Policy Team, managing public relations and policy for many security, privacy, and safety issues. In the past, Fred has also worked with a number of technology companies including AirBnB, Uber, and SurveyMonkey, and with the Office of the Shadow Foreign Secretary in the United Kingdom researching technology policy. Fred holds a B.A. in Political Science from Stanford University, and a J.D./M.B.A. from Harvard.
